We take photographs / videos to publicise the club in all forms of media including Facebook and the website.

Typically, we do not identify individuals unless there is a good reason to do so e.g. receipt of an award or success in a managed event. In the case of the latter, results including names will be published on the website and elsewhere.

By joining SHSCCIC, an affiliate membership or via Open events you grant SHSC without payment the right in perpetuity to make, use and show any motion pictures, still pictures and live, taped or filmed television of or relating to the event.

For children and generally for adults:

If we use a name, we will normally only identify a child by reference to the child's first name.

We will not use personal details or full names (i.e ... first name and surname) of any child to accompany a photographic image on video, on our website, in our organisation brochure or any other electronic or printed publications without good reason. 'Good reason' includes using the full name of a child in a newsletter to organisation members if the child has won a trophy or award.

1. We will not include personal email or postal addresses, telephone or mobile

numbers on video, on our website, in our organisation brochure or in other

electronic or printed publications.

2. We may use group photographs or video with very general labels, such as 'Cadet

Week'.

3. We will only use images of children who are suitably dressed, to reduce the risk of

such images being used inappropriately.

4. Photographs or video may be used for coaching purposes or by officials during

competition to illustrate incidents on the water.

5. Commercial sale of any form of media will be limited to the organisers, sponsors or

their official photographers.

Should you wish us not to use images where you may be identifiable, please let us know, and we will do our best not to use these images. Contact dataprotection@shsc.org.uk
